<p>Bernie -          Per our telecon. Hope          these might be of some          use. These comments were          written over a year ago and          so there might be further          changes. (I haven't gone          over them lately.)          Give me a buzz if          I can be of help.</p>
